

Mastery in Minutes

1. Schedule as much prep time pre-interview as possible.
2. Select items from the wheel where you need most practice.
3. Finally, pat yourself on the back and perform awesomely!!!

Want to go deeper on this and learn everything from identifying a role that fits with your unique skills and values, to advanced interview techniques? Simply join one of our signature career coaching programmes: www.hollyashford.com - we'd love to have you on board!
